Is there anything about having dental treatment that bothers you?                      <input type="radio"/> <input type="radio"/></p> <p>22. Family History of Periodontal Disease?                      <input type="radio"/> <input type="radio"/></p> |
|--|---|

### MEDICAL HISTORY

Although dental personnel primarily treat the area in and around your mouth, your mouth is part of your entire body. Health problems that you may have, or medication that you may be taking, could have an important interrelationship with the dentistry that you will be receiving. Thank you for answering the following questions.

- |   |   |
|---|---|
